**RegionalHelpWanted.com ranked 65th in *Entrepreneur* Magazine's
10th Annual Hot 100 Fastest-growing Entrepreneurial Companies in the U.S.**

Poughkeepsie, NY (June 2, 2004) – Eric P. Straus, President & CEO of RegionalHelpWanted.com announced today that the company has been named one of the nation's top 100 fastest-growing companies in the June 2004 issue of *Entrepreneur* magazine. RegionalHelpWanted.com was founded in 1999 with 3 employees and a \$2.5 Million initial investment. Today, with a staff of 32 and \$8.7 Million in sales in 2003, RegionalHelpWanted.com is number 65 on *Entrepreneur's* Hot 100 list.

The 10th Annual Hot 100 listing of fast-growing new businesses was compiled with assistance from D&B, a provider of global business information, tools and insight. *Entrepreneur* collected information and financial statements from up-and-coming entrepreneurial companies pulled from D&B's massive database. Then, *Entrepreneur* measured each company's sales growth from the date of inception, listing the businesses in growth order.

Each company that was considered for *Entrepreneur's* Hot 100 list was founded no earlier than 1999, and had more than \$1 million in annual sales for 2003. For the complete story and listing, pick up a copy of the June 2004 issue of *Entrepreneur* magazine, available on newsstands May 25th.
